

SYSA now offers Mobile Text Updates to keep you informed!

Text 'SYSA' and/or 'PLAY' to 91404 and see what we mean! Texting "SYSA" enters you into a drawing for one free sport registration. Replying with the word "PLAY" enters you into our mobile data base where we can send you registration and SYSA information via your cell phone. (only 4 messages/month - we won't inundate you!)

Parents will love getting text updates on registration open/close dates, when schedules are posted to sysa.com, or specific event details; all on that one device you carry everywhere...your cell phone!

Coaches will love getting coaches' meeting date reminders, uniform/equipment issue information, and ... everything SYSA!

SYSA wants to communicate so, in addition to www.sysa.com, emails, and phone calls -- SYSA now offers TEXT UPDATES!

Try it out and let us know what you think! You could even win a Free Registration!

Text 'SYSA' to 91404, then respond with the word 'PLAY' to add your cell phone to the SYSA Text Updates List. (max 4/month)

Opt out of the Mobile Text Updates at any time: Reply with 'NOPLAY' to any SYSA Text message to opt-out. We'll take you off our list, we promise!
