Hello!

My name is Bella Fontaine, I am the marketing contact for Men and Women's Soccer at Gonzaga Athletics, and I'm reaching out to see if any teams within the Spokane Youth Sports Association are interested in participating in our anthem buddies program! As anthem buddies, your team will get free entry to the game, join the Zags on the field for the national anthem, receive an in-game shoutout, and participate in a halftime scrimmage. We can only accommodate one team as anthem buddies per game. The rest of the club plus family members are welcome to join and watch the game by purchasing a discounted ticket at a link we will send you once we schedule you for a game. Also, we can only invite teams younger than 13 years old to participate.

Below is this season's updated schedule with available games. Keep in mind that we ask teams to arrive 45 minutes before the game starts.

Men's Soccer Schedule:

1. Friday, September 12th vs Oregon Tech @7pm
2. Saturday, October 18th vs Oregon State @6pm
