Thank you for participating with Washington Youth Soccer
You are the future of the sport!!

**As a Minor Volunteer/Coach/Referee (non-USSF certified)
we need your assistance in creating a safe environment for everyone involved.**

- There are 2 compliance items that are required by either State or Federal law to be completed prior to your participation.
- Without completion your local club can not allow you participate.

Required:

1. Parent/Player Minor SafeSport Certification
2. Intro to Safety (combined CC and SCA training)

A. Make sure you download a copy of the certificate. You will upload the SafeSport Certificate to your profile

B. The Intro to Safety trainings **DO NOT** provide downloadable certificates, your registrar will need to assist with syncing the platforms so they will automatically download via the API.

Additional Assistance:

Hello Parents,

You may find yourself struggling during this process, because there is more than 1 way to complete this process based on which registration platform your club is using. Your club can tell you which support number you should use for assistance. The support lines can help with question AFTER the training certifications are complete. They will not be able to assist you with the trainings.

Important information to the parents/guardians from Washington Youth Soccer:

- We believe all education is important in today's world, but that it needs to be age appropriate and delivered in an environment the parent feels is safe and sensible for their child.
- Washington Youth Soccer is required to offer SafeSport training to minors that will participate in a leadership role.
- However, participation in SafeSport training is at the consent of the parent/guardian.
- We cannot require you to provide SafeSport training to your child.
- However, they will need a SafeSport certificate to complete an RMA.
- The RMA process does not allow us to turn-off the requirement for individuals or groups.
- The player/parent training has slides/videos with topics that allows the parents to decide:
 - When and Where you will discuss SafeSport Training
 - How or if you should deliver the topics
 - What you feel your child or children is prepared to hear and discuss
- If you are 17 years old and will become 18 years old during the seasonal year per federal law, Washington Youth Soccer requires the SafeSport Full training to be completed on their 18th birthday if they are still participating.

US Soccer Policy 212-3, 5B: The mandatory components set forth in the model policies set a minimum standard. In implementing the required policies, a Covered Organization may choose to implement a policy that is stricter than the Model Policy, if it is stricter than the mandatory policy.

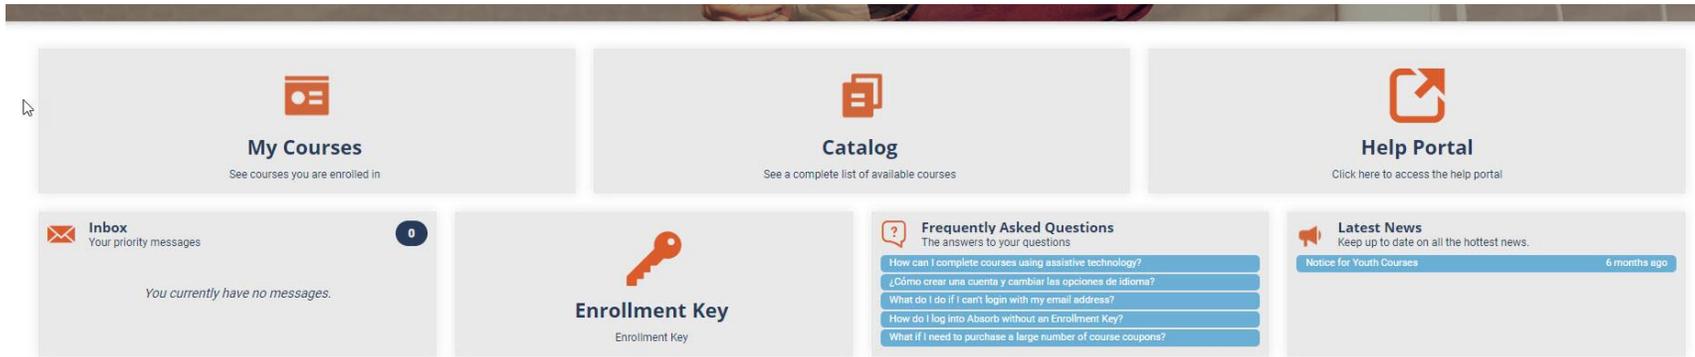

If, in implementation the required policies identified here, Covered Organizations are not in compliance with federal requirements, the organization must implement policies and procedure sufficient to meet such requirements.

If you would like more information, please reference US Soccer Policy 212-3, the SafeSport Act of 2017 or If you have additional questions contact your local club administrator or the Washington Youth Soccer Office.

The image displays two screenshots of the SafeSport registration process. The left screenshot shows the 'Sign Up' header and instructions: 'Please enter the information for a new account. If you have previously taken any SafeSport training, click Login (upper right of screen) to access your existing account, enter the email address you used then click Forgot Password'. Below this are input fields for First Name (Kaleb), Middle Name, Last Name, Email (@gmail.com), Password, and Re-enter Password. A callout box on the left points to these fields with the text: 'Make sure the first name, last name and date of birth exactly match the WYS club registration.' The right screenshot shows the continuation of the form with fields for Language (English), Organization Member ID, Date of Birth (08/01/2004), Role (Athlete), and Name of Sport or Community Organization (WA Youth Soccer). A blue 'Sign Up' button and a 'Return To My Dashboard' link are at the bottom. Three callout boxes on the right provide instructions: 'From the drop select the correct role' (pointing to the Role dropdown), 'Please type in WA Youth Soccer' (pointing to the Organization name field), and 'Click Sign up' (pointing to the Sign Up button).

This is the dashboard. If you do not see the dashboard, click the three lines at the top of the righthand corner.
